LOCATION FEATURES

- A 600-Acre Master Planned Industrial Park sitting at the focal point of international trade in Pharr, Texas. Users can be accommodated from 50,000 square feet up to more than 1M square feet.
- MITP has direct access to the newly revamped US Port of Entry as well as the soon-to-be-expanded US/Mexico Bridge. This provides a direct connection to Reynosa, Tamaulipas, Mexico, and thriving manufacturing hubs of over 1 million people.
- MITP Phase I and the entire 600-acre park benefit from the direct and confluent access from Reynosa and Monterrey through these newly developed access ports from Mexico into the U.S. port of entry.
