Property Overview

Building is a metal facility on metal frame structure with a new roof. The building has loading doors on all four sides. It has ±80,000 SF with large office build out, high power and one shared dock high ramp. Additional features include divided offices, breakrooms, restrooms, MI-2 zoning, ±3,000 AMP 3 phase power, ample parking, and building signage. Its prime location provides easy access to major roads and is near manufacturing companies. Additionally, the property offers the ability for secured outdoor storage, providing a secure and convenient solution for IOS.

Location Highlights

Centrally positioned in Sanford, FL, this single-story warehouse is perfect for diverse businesses. With its prime location on Lake Mary Blvd and proximity to Sanford International Airport, it offers exceptional accessibility and visibility within the market place. Easy access to I-4, Wekiva Parkway, and SR 417 enhances its connectivity. Its strategic location, amidst rapid population growth, thriving multifamily development, and an abundance of retail options, further boosts its appeal.
