The Foundry is an 1890s railcar barn and iron foundry reimagined as a distillery, food-and-beverage hall, commissary kitchen, and community hub in Historic Valley Junction.

This space offers a unique opportunity for a restaurant or entertainment concept. Join our new tenant, T12 Distillery, in the heart of West Des Moines' vibrant Valley Junction District. Originally built in 1899 and thoughtfully remodeled down to the studs in 2017, this property is well suited for any business looking to stand out with unique space and a historical building with a high level of finishes. The space offers an abundance of benefits including a turnkey kitchen, high ceilings, and an open floorplan. As part of The Foundry — a design-forward redevelopment that brings food, craft, and community under one roof — this location gives tenants the opportunity to build a destination within a destination.
